GLSH304

Weighing Module

GRV Automation | CE Certified | Custom Configurations Available on Request

Application / Features

- High-load column weighing module
- Robust steel construction for heavy platforms
- Suitable for truck scale and axle weigher use
- Easy integration with standard load cells
- Long-term durability in outdoor environments
- Truck scales, axle weighers, heavy industrial platforms

Rated range: 100kg - 50T

Rated Capacity		**100kg-50T**
Material		**Structural Steel / Alloy Steel**
Mounting		**Anchor bolt or welding**
Degree of Freedom		**3D constrained**
Overload Protection	%R.C.	**150**
Operating Temp.	degC	**-30 to +70**
IP Rating		**IP67**
Applicable Load Cell		**Column type / spoke type**

1) High temperature sensors available (max. 150 deg C). 2) High impedance option (1000 Ohm) on request. 3) Specifications subject to change without prior notice.
